

Pastoral Care Team Training

Saturday, January 26, 2019

Whether you are looking into Pastoral Care for the first time or have been offering it for years, **South Island Centre's Pastoral Care Team Training Program** brings insight and fresh ideas to this important work. In this day-long program you will join the group that matches your level of experience (basic or advanced) working together to discover what pastoral care is and how it can be used effectively in your faith community.

Facilitators: **Bill Cole, Margaret Anderson and Amber Eves.**

This course will include:

1. Basic Introduction to Pastoral Care and the communication process
2. Caring for those experiencing grief, loss and senior's issues
3. Advanced training for those already experienced in Pastoral Care
