Christmas Fair November 19th hours TBD

Last year our small Christmas Fair was a great success at the

will have a church table so please start making your
items for the church to sell. If you need help
purchasing some supplies, please talk privately with
Rev. Gail. We want to invite other vendors.

Preference will be given to economically or socially disadvantaged
crafters for a free table. If you know of anyone who would like a
table please let Rev. Gail know and she will pass it on the
information to the coordinator.
