

CHRISTMAS FAIR BAKE SALE INFORMATION

Our Christmas Fair this year will be held on November 14 from 10:00 am to 2:00 pm and we will, of course, be having our always popular bake table. If you would like, and are able, to make and donate baked goods for our sale, we would really appreciate your contribution. As we have done in the past, we must comply with the Island Health Regulations regarding preparation and packaging of baking for sales. Here's a reminder of what is acceptable:

Acceptable "low risk" foods are cakes, cookies, squares, muffins, cupcakes, loaves, fruit pies (baked), tarts, breads, chocolate, fudge, brownies.

Foods "high risk" that are **NOT PERMITTED** are cheesecake, pumpkin pies, anything with frostings or fillings or with cream cheese, custards, whipped cream or cheese and also canned icings or any foods that require cooking **and** any foods containing meat such as meat pies, sausage rolls.

Food must be packaged after it has been prepared to protect it from contamination during storage, transportation and sale. Label your baking with the name of the item and you **MUST** list any ingredient such as nuts or peanut butter that would be useful information to people with allergies.

Thursday 12
***Deliver your baking to Memorial Hall kitchen on Friday, November 13th between the hours of 10:00 am and 1:00 pm for goods to be packaged and priced for sale.**

Please let me know if you are available to stop by for a little while to help package and price the baking.

If you have any questions or concerns, please let me know.

We really appreciate your help with this very important fundraiser for our Church.
